

Shop Steward Round Table Training 2010/2011

YEU Shop Steward Round Table training sessions are offered monthly from September through May. The sessions run from 9:00 a.m. until noon in the Dave Hobbis Board Room at the YEU/PSAC Building, 201-2285 2nd Avenue Whitehorse.

These round tables offer Shop Stewards and Local Executive members the opportunity to get together, share challenges and successes, and learn from each other and experienced YEU staff.

Union Advisors have chosen a schedule of topics to present and discuss. These are designed to provide Shop Stewards with the knowledge, tools and confidence to better assist members in the workplace.
